

Dear Parent/Caregiver,

We are asking Year 10 students to choose their Semester Two Options which begin in Term 3. All Year 10 students study English, Maths, Science, Social Science and Physical Education. Students choose the remaining two subjects from the options offered. Option courses are timetabled for 3 lessons per week.

Please use the course information to help to make informed decisions. If more information is required, then please do not hesitate to ask Whanau Teachers, Subject Teachers or Deans.

Please return this sheet to the school office when completed. This needs to be returned by Friday 16th June 2017.

For EACH OPTION, please write the numbers 1 to 3 beside each subject (1 is the most desired option, 3 is the least)
