

Wednesday January 31 2018

Dear Parents/Caregivers of Year 10,

Due to some changes over the summer, we are asking Year 10 students to re-choose their options for the first semester. Since the end of last year, we have been able to secure a wider range of options to choose from. We have added Soft Materials Technology (Fabrics) and a Resiliency programme to the options which we hope will better cater for the needs of our students.

Consultation with home is important in this process – please read through the booklet students were given today about the available options and help your student in their decision-making process.

We ask that these forms be returned ASAP as the first of these option classes is Period 1 on Friday.

If you have any questions, please call the school and ask to speak to Mr Brendon Wallace.

Semester 1 {
