From the Principal's Desk

Board of Trustees Report

The Board held a general meeting on Thursday 22 September in the Transition room. We said farewell to our student representative, Tyrone Braven and thanked him for his contribution to the Board over the past 12 months. It is not an easy job to be a student and have to express your views at Board level but Tyrone did an excellent job and we wish him well next year as he furthers his studies. We will welcome Samuel Moncur to the position at our next meeting and we are looking forward to hearing his perspective on 'things Menzies'.

The Board then had a presentation by Mr Stuart Clark on his programme to help our senior students transition to tertiary education and the work force. He demonstrated and explained the computer programmes that he uses to track students' progress and interests to identify their strengths and possible career paths and also outlined his interview programme. The Board were very impressed with the strength of this programme and encourage our senior students to take full advantage of all that the transition department has to offer.

Two of the main points that Mr Clark made were the need for students to consider working and saving for tertiary education early, as the deposits that are required for halls of residence can be quite an ask early in the study year and they are not covered by student loans. Also, the need for more trades people, is providing a big opportunity for those that might wish to start a career in a trade and we need to be taking advantage of this.

Other matters discussed at this meeting included:

1. Board succession planning, as there are Board of Trustee elections in 2016 and we will have a number of vacancies. If you are interested in joining the Board please contact myself or any of the other Board members to discuss the role of a trustee and perhaps come along and observe a board meeting.
2. The process of Principal Appraisal was discussed and an outside provider will be engaged to carry out this process again in 2016.
3. The Board voted to retain 100% of the profits of the sale of the school houses at 10 Raglan and 21 Florence Streets and these funds must be added to our 5YA (building project funds).
4. The Principal reported on a number of matters including the progress of senior students towards gaining NCEA at the various levels and most students are on track to meet their targets. Those that are at risk are getting extra support from the staff to ensure they have opportunities to gain extra credits.
5. A number of Duke of Edinburgh camps were approved and also a request for maternity leave was granted.

The Board wish to extend their best wishes to all the senior students as they head into exam mode. We hope that they follow the good advice that has been given to them and achieve all the success that they deserve.

Our next meeting is at 7pm on 29 October in the Fabrics Room.

Paid Union Meeting

Next Thursday, 22 October school will be finishing at 1pm. Staff are required to attend a Paid Union Meeting in Invercargill to discuss the recent STCA settlement. Students can be picked up from school from 1pm. Any students that are staying at school and waiting for buses will be supervised by staff members in the library for the afternoon. Buses will be running as per normal. The lost period will be made up on Wednesday Period 5 in Week 3.

Gerry Ward, Principal

YouthMark Award

Last night I attended the Secondary School's YouthMark Awards where Caleb Young was presented with his award in recognition of his service to the school over the past seven years in the academic, cultural and sporting fields. Fifty-one Year 13 students from across the province were recognised and it's absolutely mind blowing how talented the youth of Southland are. It would be nice to have a few more of our senior students receive this award but with our roll size we are only entitled to one.

Scholarships Awarded

On another pleasing note, Tomazina Koppen-Pavlovich and Holly Smith both received \$6,000 leadership scholarships to attend Otago and Lincoln Universities respectively. This is the second year running that Menzies has received the Lincoln scholarship.

A reminder that the Options Night is on **Monday 19 October at 7pm** in the school hall. This is a great opportunity for parents/caregivers and students to discuss options for next year and make an informed decision.

Menzies College Soccer

Menzies College Soccer players invited to Football South FTC's

So far, Katelyn McEwan, Rhylee McGregor and Marina Ferguson have been invited to attend the Football South Federation Talent Centre in Invercargill. The students will have the opportunity to attend two trainings a week with experienced coaches during Term 4, 2015 and Term 1, 2016. The Federation FTC's are there to teach players the NZ Football style of play that is required to become an International player for New Zealand. These can lead on to other opportunities like the NZ Football Talent Centres. This is going up another level again and will be a good challenge for the girls.

Menzies College player now in West Ham United Academy System

After attending West Ham United's National Academy in Auckland during the holidays, Rhylee McGregor is now a member of West Ham United Academy's system. Rhylee will have more camps to attend next year and then may have an opportunity to travel to England next year if she is selected to attend West Ham United Academy in London.

Menzies College Soccer Players Perform for Southland

Well done to all the students from Menzies that represented Southland at recent tournaments over the holidays. Holly and Summer Smith played for the 17th Grade girls' team at Methven and finished in 4th place. That was the best result ever for Southland at the 17th Grade tournament - well done girls! In the 14th Grade, Sarah Andrews, Nadine Martin, Marina Ferguson, Rhylee McGregor and Katelyn McEwan performed very well and their team improved as the tournament went on and won two out of their last three games. The girls were very happy to beat Mid-Canterbury 2 -1 and finish in 8th Place.

Vetco Wyndham & Districts Pet Day 2015

Information for Parents/Caregivers/Children

This is to be held on Tuesday 3 November with judging commencing at 10am at the Wyndham A & P Showgrounds and the theme is sheep. All children must attend Pet Day as it is a school day. The likelihood of this day being postponed is extremely unlikely, in other words, be prepared for PET DAY being on! Entries are to be handed to your teacher by **FRIDAY 23 OCTOBER**. Children may enter ONE pet and ONE other non-pet entry OR TWO non-pet entries.

Below is a list of choices for your entries:

Lamb/Goat	Cat	Woodwork
Calf	Poultry	Needlework
Dog	Other Pet	Sandsaucer (Preschool and Years 1 & 2 only)
Pony	Science/Model	Floral arrangement (Years 1-6)
Baking – Muffins	Baking – Biscuits	Baking – Large Cake (Years 3-6 only)
Fancy fruit & vegetable	Invention	

Art: The only artwork to be entered will be done at school based on this year's theme, SHEEP. Each school will be responsible for displaying this on the evening prior to Pet Day. Each child must wear a NAME tag. This makes it so much easier for the judges and stewards. The label should have: child's name, school and year. There is no set lunch break. You have lunch when you have a suitable break. There will be a BBQ available which is generously put on by the ANZ.

Vetco Trophies: These will be awarded at the end of the day after the Grand Parade (approximately 1:30-1:45pm).

Vetco Sashes: Each child who participates at the Pet Show will receive a sash for their efforts. This can be collected after judging from the Secretary's office.

A gold coin donation is required at the gate. Also, a can of pet food for the SPCA can be left in the barrel at the gate as you enter the grounds.

Public Health Nurse

A reminder that the Health Nurse visits Menzies College every Tuesday from 8.45-9.45am and is available for student consultations in the Guidance Councillor's office. If any parent/caregiver wishes to make an appointment on behalf of their child, please ring the office.
